TERMS AND CONDITIONS

Quotations herein subject to change without notice and are for full bags.

SPECIAL QUOTATIONS

"The Bingham Seed Company warrants to the extent of the purchase price that seeds sold are as described on the container within recognized tolerances. Seller gives no other or further warranty, expressed or implied." All contracts subject to delays and contingencies beyond our control.

A lot of new prices have not been established. We are in the process of buying and testing numerous new crop seeds and should be able to quote most of them within a few days. If you are in the market for any items not quoted here, contact us before buying. We hope to have a new list out some time during August including all varieties. We particularly call your attention to COASTAL WHEAT. This has been a very satisfactory fall and winter crop from the central part of Florida north.
